Dear Friends

Thank you for visiting us today. This tells me that you have a heart of compassion for the needy and impoverished people of Jamaica. And you have a heart to see the Gospel of Jesus Christ proclaimed so that souls might be saved, where so many are confused by the deception of false religion.

Let me share with you where we are. We just met with the Go Teach Ministries Board of Directors to complete fundraising letters asking people to contribute to the 2009 operating budget of \$93,250.00. This budget will enable us to acquire Jamaica's government approval for the purchase of land and the establishment of an orphanage. We don't know the outcome of the mailers yet, but we are trusting God Who is faithful. From January through May, I will be traveling to different churches asking God's people to get involved in the ministry. The first, and most important, is to hear the unheard cry for help coming from Jamaica. It is coming from the orphaned and abandoned children, an estimated 800 on the streets in Montego Bay alone. Those still on the streets and in government funded children's homes and places of so-called safety, have reported wide spread sexual and physical abuse. The generally poor physical conditions in which they live are unthinkable.

The cry of this ministry is to give these children a new start in life. It is our vision to build a farm that will be self-supporting, where these children can experience the love and safety they deserve. This is a ministry that ministers to the total man, physical, spiritual and emotional. I am an evangelist at heart and am humbled at the calling and the anointing to preach the Gospel of the Lord Jesus Christ. There are many false religions at work in Jamaica, proclaiming a false hope to a helpless people. But we have a message of true hope. Acts 4:12 says, "There is no other name given under heaven where by man must be saved except the name Jesus Christ". My friend, Jamaica is full of impoverished communities that need to find transformation through Jesus Christ.

Would you please pray about helping Go Teach Ministries reach Jamaica? We need the provision that comes through partners just like you. We need \$300,000.00 to purchase land and build this farm. We need people who will become partners and contribute monthly. We need people who will join us on various mission team projects to be Christ to the Jamaican people. We are pursuing our mission of ministry to the total man in Jamaica. Would you please pray and seek the Lord's will and direction

about becoming personally involved with Go Teach Ministries. Talk to your pastor or Sunday School class or small group about Go Teach Ministries. And please don't forget to pray for us! God Bless you, and thank you so very much for visiting the Go Teach Ministries website.

A man for whom Christ died and rose again.
